Mr. Lathrop Alston,
704 Cameron St.,
Durham, N. C.

Dear Sir:

Your letter of March 20th received. In regards to the game April 26th, I will ship placards directly to you accompanying them will be advertizing passes sufficient for one for each card.

I wrote to the Park to see if we could rent the Park for a Negro National League game on May 12th also between The Eagles and New York Black Yankees, I have not had a reply from them to date. I would appreciate it if you would contact the Park for me and see if we can have it for that day. It is necessary for me to know where I am going to play May 12th before I can schedule any of the rest of the trip. This is a Sunday and we would be playing a doubleheader. In your answer please send me the correct name and location of the Ball Park so I can have the information for the placards.

Kindly take care of this at once, as the time is drawing very near.

Yours very truly,
